We would like to thank all students who have contributed to the Access Fund.
Last year we granted \$858,779 to help students in financial need.

Here is what Access Fund recipients had to say about how your contribution helped them:

***“From the bottom of my heart I want to thank-you!! I don't know how to tell you what this money means to me and how it is going to help.
-4th year Arts student.”***

***“Thank you so very much...I cannot express to you what this means to me and my education...I cannot say enough great things about [the Access Fund].
-3rd year Physical Education student.”***

***“Your generosity is very much appreciated.
-1st year Medical student.”***
