THE COMPUTER'S BLUES by Mrs Robinson

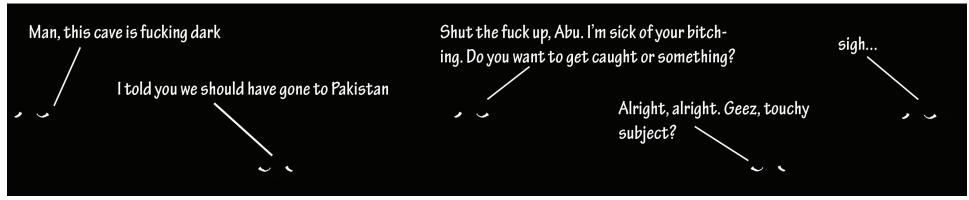

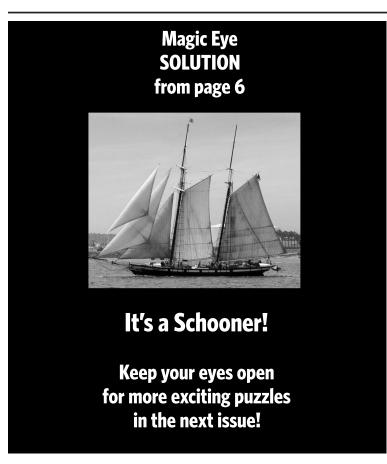

I'm th' saddest computer under the sun,
Said I'm th' saddest computer under the sun,
101001010101010101010101010101010101.
You know I love ya baby, I don't raise no fuss,
Said y'know I love ya baby, I ain't raise no fuss,
But I took the test of love, I only earned a C++
I wish I could go back baby, back to the start
Said I wish I could go back, right to the start
