## Monkeys versus Robots

compiled by Scott C Bourgeois

The Crossword runs semi-regularly with the answer available at [www.gateway.ualberta.ca](http://www.gateway.ualberta.ca)

### Across

- This monkey was a member of the Care Bear Cousins.
- On the wacky Adult Swim series *The Brak Show*, this heavily armed and armoured battle robot is Brak's next door neighbour.
- When the city is threatened by the evil Dr Wily, the house-keeping android Rock becomes this defender of humanity.
- Ross' pet monkey on the television series *Friends*.
- This mandrill is the shamanistic wise-man who doles out advice in *The Lion King*.
- Once the harmless—if naughty—laboratory monkey of Professor Utonium, he was super-charged with Chemical X and has now become the arch-nemesis of the Powerpuff Girls.
- The leader of the Decepticons, a hostile group of military robots from the planet Cybertron.
- This golden robot told children to play safe, for he—unlike children—can put his arm back on.
- This robot, described as an "alcoholic, whore-mongering, chain-smoking gambler" is best friends with Philip J Fry in the year 3000.
- The wise-cracking robot with a gumball machine for a head on *MST3K*.

### Down

- This mad genius from Gorilla City in the DCU has battled the Flash on several occasions with his mind-control technology.
- Captain Barbosa's pet monkey aboard the ghost ship *The Black Pearl*.
- This creature lurks in Chris Griffin's closet on the cartoon *Family Guy*.
- A group of robots commissioned by the United States government to help curb the mutant menace in the Marvel Comics universe.
- Second officer on the *USS Enterprise*, he is the "only" sentient robot in the Federations. If you don't count his evil twin.
- The star of the *Dragonball* series, he is a member of the saiyen race, who—by the light of the moon—transform into giant apes.
- Hitchhiker's Guide to the Galaxy* featured this perpetually depressed robot with a "genuine people personality."
- The Man in the Yellow Hat finds this inquisitive little monkey in Africa, and takes him home to live in the big city.
- Aladdin's pet and sidekick in the Disney adaptation—because Disney heroes need a cute animal sidekick.
- Luke Skywalker convinces Uncle Owen to give this plucky little astromech a try when the red one blows its motivator.
