EMPLOYMENT - PART TIME

Wanna learn something new? There is an innovative method of helping kids with learning disabilities, Down syndrome, autism, ADHD etc and adults with brain injuries live better lives because of being given the opportunity to actualize their potential as human beings. Interested? www.geocities.com/athens/sparta/9442/ I'm a mom who advocates for my 11-year-old daughter. She and I are putting forth an inquiry into acquiring some help from an interested person in working with my 'package of energy'. Auditory, speech and other developmental challenges impact her life. When I think of the gifts she has to share..if only I had consistent help in promoting this program with her. Hours and days are somewhat negotiable. Enjoy a walk weekday afternoons close to the university and work 3-4 hours with her. My daughter responds to and is motivated by interaction with people who are playful, funny, creative and yet, are able to be firm and set boundaries. 4322213
